The Caledonian Society of Hawaii
Chieftain's Report
Annual General Meeting
June 22, 2019

Our 53rd year has continued our mission as the primary Scottish educational organization perpetuating Scottish culture and traditions in Hawaii. The schedule of events is reported separately, but we always try to provide a variety of programs that have a learning component. As always, we strive to meet the needs of our members and encourage recommendations for upcoming programs. Just as important, we want our members to share their ideas, interests and skills to participate in putting on the programs.

While our events are focused on our members, they are open to all members of the community. We especially want to share our programs with other Scottish/Celtic organizations. It is important that we share with one another, so Caledonian Society members should be aware of the events sponsored by the other Scottish/Celtic organizations and support them.

We all work together in support of the Highland Festival & Games as the Hawaiian Scottish Association Board of Directors and The Caledonian Society has five positions to fill. Any members interested in serving on the HAS board should let me know.

Slainte,
Bruce McEwan, Chieftain
