

## **VICE-CHIEFTAIN REPORT**

Covid 19 has taken a toll on the Caledonian Society activities. 2020, 2021 and continuing now, our events have been via Zoom. It has been a surprisingly welcome way to stay in touch and we have learned quite a bit from our Scottish Heroes series. But now we hope our members will start coming to in-person meetings and the Society can grow again. We will try to keep the meetings as safe as possible. The Annual General Meeting on June 25<sup>th</sup> is at an open venue – The Waikiki Yacht Club has an open lanai area that meet our needs very well.

As Vice-Chieftain, I have been busy with our newsletter, *The Caledonian*, email updates and other issues with keeping the Society running during the pandemic. Our membership fees are due now for the fiscal year 2022-2023. Donations are always welcome.
